at University of Northern Iowa (Cedar Falls)

Coaches and Senior Athletes,

We are in the tenth year of putting together TEAM ILLINOIS, which travels to Iowa to compete against the best seniors from Iowa and Wisconsin.

The final selection process takes place during the week of the state meet and the week immediately following the state meet. In order to speed up the process, we would ask that if you are one of the top seniors in your event at this time, and you would be able to represent TEAM ILLINOIS at the Senior All-Star Meet, please forward us the information at the bottom of this form as soon as possible. In addition, it helps us to follow the results as we get nearer to final selection at www.illinoispreoptimes.org

We will take email with this information or you can mail in this form.
